The Oakhurst Arts & Music Festival provides our community with opportunities to reach out to one another and strengthen the bonds within this diverse community. It is also an occasion to share our community with people from outside the area. The day's event offers a safe, fun environment for children and adults to enjoy.

We are requesting your participation in this year's festival. Your support will help ensure community awareness, the bonding of neighbors and artistic expression. It will also give your business an opportunity to be seen and advertised to thousands of festival attendees.

All donations are tax deductible.
