

## Community Pavilion Registration Form

The annual Oakhurst Arts and Music Festival provides an opportunity for City of Decatur based non-profits to participate in this community event. The Community Pavilion, placed adjacent to the Artists' Market, gives local Decatur-based groups an opportunity to communicate their mission to the community. Groups are given one 8 foot wide space to showcase their organization. Brochures, display boards and "giveaways" are encouraged. Set up time for the Pavilion begins at 7am and all participants must be set up by 10am.
